

```
// Handle the meme generator logic (just a fun placeholder)
document.getElementById('generate-meme-button').addEventListener('click', function()
{
  const memes = [
    "When Lambo? When You HODL LamboCoin! 🚗💨",
    "Bought LamboCoin and still waiting for my Lambo. Oh well, HODL harder! 🚀",
    "To the moon with LamboCoin, because why not? 🌕",
    "HODL LamboCoin and manifest your Lambo! 🚗💨",
    "LamboCoin – For the meme and the dream! 😎"
  ];

  // Pick a random meme
  const randomMeme = memes[Math.floor(Math.random() * memes.length)];

  // Display the meme in the output section
  document.getElementById('meme-output').innerHTML = `<h3>${randomMeme}</
h3>`;
});
```
